SUMMARY

Software Engineering undergraduate pursuing Bachelor of Software Engineering Honours at The Open University of Sri Lanka. Seeking an IT-related internship, to become a well-regarded IT professional in future.

EDUCATION

Bachelor of Software Engineering Honours

2022 – Present

The Open University of Sri Lanka

1st year (2023–2024)

Software Engineering Concepts and Programming	-B
Web application development	-B
Introduction to object oriented programming	-A
Information systems and data management	-A
Introduction to Mobile Application Development	-A-
Web application development	-B
Programming in Python	-C
Web technology	-B
Basic mathematics for computing	-C
Communication and Computer Technology	-B
Communication Skills	-B

2nd year (2024–2025)

User experience engineering	-A-
Object oriented design	-B
Data modelling and database systems	-A
Mobile application development for Android	-A
Software Testing and Quality Assurance	-B
Data structures and algorithms	-A
Mathematics for Computing	-B
Applied Statistics	-A
Requirement engineering	-B
Economics and Marketing for Engineering	-A

GCE A/L – 2020 (Biological Science stream)

GCE O/L – 2017

PROJECTS

UniMaps – Campus Navigation Android application

Technologies : Java

CampusMatrix – Software Development Group Project

Web base application helps to university students manage their work stress freely.

Technologies : MERN stack

VoteX – Online voting system for Sri Lanka

Technologies : React , React Native , Java (Spring Boot) , MySQL

KEY SKILLS

Professional

- **Languages** – Java , Python , C , PHP
- **Web Development** – HTML , CSS , JavaScript , React , Tailwind CSS
- **Database** – MySQL , MongoDB
- **UI Design** – Figma , Framer
- **Tools** – Visual Studio Code , Android Studio , GitHub

Personal

- Innovative and Creative , Leadership Qualities , Team Work , Learner , Communicatio

INTERESTS

Mobile Application Development
Front End Development
UI Designing and Development

Software Development
Web Development

ACHIEVEMENTS

Participating to the ACES CODERS 2024 (Team CyberGods)
Participating to the AlgoXplore 2024 (Team CyberGods)
Participating to the CodeRally 6.0 2025 (Team CyberGods)
